Help To Those Who Need It

Upgrade 2 Success 5K Run/Walk Sponsorship is a “win-win” for your business and Gulf Coast Giving. Each level provides a benefit for you and support for the services of Gulf Coast Giving.

Gulf Coast Giving is a 501(c)(3) nonprofit organization whose mission is to provide low-budget schools and non-profit organizations with IT equipment and training. In today’s high tech world we want to make sure that the people, organizations and groups who help make our world a better place have the proper IT equipment, tools and training so they can maximize their efforts.

Upgrade 2 Success will be Gulf Coast Giving’s inaugural event designed for greater than 500 participants. This event will be held April 7, 2012, and will raise money for local Pinellas Public Schools. The proceeds will be used to purchase much needed computer equipment and provide training for staff and students. Your sponsorship combined with the walkers and runners of all ages promises the continuation of giving help to those who need it.
